Health & Safety

Medical insurance | All students must have travel and medical insurance for the duration of their stay in the US. Kaplan offers you a low-cost Travel and Medical Insurance Plan that we advise you to take. If you are not taking Kaplan Insurance you are required to show proof of alternative medical insurance. If not taking Kaplan Insurance, please make sure your insurance includes evacuation and repatriation.

If you get sick | If you get sick while in the US you should visit a doctor. You can ask your host where the nearest doctor is. If you have a minor illness you can ask staff at a local pharmacy for advice. Remember to bring any relevant insurance or medical documentation with you. You may need to register with a local doctor.

Protecting your belongings | We strongly recommend you take out insurance for your personal belongings, especially cameras, music players, mobile phones and laptops. Personal items cannot be covered by Kaplan homestay or residence insurance.

Prescription medication | Remember to bring enough of your prescribed medication with you as US pharmacists will not fill a foreign prescription. International customs agents may ask you questions about your medication upon your departure or arrival, so be sure to pack it carefully. Bring any important medical records (blood type, prescriptions, x-rays) that might be useful for medical care abroad as well as contact information for your health care providers at home.

Medical costs

Medical costs are at the discretion of your local doctor or hospital. Minimum medical costs are as follows:

- **Consultation with a doctor:** $60
- **Prescriptions at a pharmacy:** $25 per item
- **Dental treatment:** $150
- **Eye test or new glasses:** $150

Emergency services

Call **911** in case of fire, medical emergency or if you need the police.

Laws

- No one under the age of 21 may buy or consume tobacco or alcohol, including beer and wine. It is against the law to buy tobacco or alcohol for someone you know is under the age of 21
- Driving under the influence of alcohol is a very serious crime and police make regular random checks
- You will need international ID to enter bars, clubs or pubs (e.g.passport, ID card, driving licence)
- Buying, selling and using drugs is illegal

Local Customs

- All individuals regardless of gender identification and sexuality are expected to be treated equally and should always be treated fairly.
- American people talk to strangers in public areas. This is a great way to practice English, but caution should be taken. You should not give out your address and telephone number, or accept inappropriate invitations.
- "Please" and "Thank you" are widely used in the US. Always use them if you ask someone to do something for you, or if they help you or give you information.
- The US is a culturally diverse nation where people of all ethnic backgrounds are treated equally.
- People in North America leave a tip for good service in restaurants, hair salons and other places. The tip rate at most restaurants is about 20–22% of the bill and is not usually included. Fast-food is not tipped unless it is delivered. Porters in stations, airports and hotels should be tipped approximately $1 per bag. Taxi drivers are generally given a 15-20% tip.

Kaplan International Languages Rules

- If you leave your Kaplan International Languages course without informing us, your Form I-20 (if applicable) will be terminated and you may fall out of status.
