

KAPLAN INTERNATIONAL LANGUAGES PROGRAM

ENGLISH FOR ACADEMIC PATHWAYS IN CANADA

Our English for Academic Pathways course gives you the opportunity to develop your English language skills for use in an academic environment. It gives you excellent insight into the culture, expectations and study skills needed at college and university in an English-speaking location. Course lengths are flexible to suit your current English language level. This course is ideal if you want to develop your vocabulary and grammar, particularly in the key academic speaking skills of discussion and presentation. It allows you to gain direct, no-IELTS or other language proficiency test entry into a range of universities, as well as public and private colleges in Canada.

WHY CHOOSE THIS COURSE:

- You want to gain insight into the culture, expectations and study skills needed in an English-speaking environment
- You want to gain direct entry into a range of universities, public and private colleges in Canada
- You want flexible course lengths to suit your current English ability
- You want to enhance your CV and improve your chance for professional and academic success in the future
- You want to receive an accredited Kaplan International Languages Certificate of Achievement
