EXAM PREPARATION CLASSES

GMAT® preparation

Your GMAT® preparation classes will focus in detail on each aspect of the test using Kaplan's exclusive course materials to help you achieve the best results possible.

STRUCTURED STUDY

Your Structured Study sessions are an integral part of your course. Completing regular practice tests in our computer labs will also help you build your skills and confidence as you continually work towards a higher score.

ADDITIONAL SUBJECT CURRICULUM

Teaching component

After the GMAT® preparation classes have ended, your teacher will continue to meet with the class once a week for one hour to review key concepts and strategies, and to answer student questions. These sessions will provide you with ongoing support during Structured Study, and will help you to improve the skills you need for the test.
