Our interactive coursebooks are there and integrated into a series of quizzes testing exactly what you will have learned in class and letting you preview the next lesson's content at your own pace. K+ Extra is available on all bookings – which allows you to practice and further develop the topics you learn in class. Intensive bookings also include K+ Learning clubs which are extra real-time online activities to further develop your learning with our teachers.

FIRST DAY AT SCHOOL

Inductions and testing take place in the week and on the weekend before our classes start. You can get straight to your class.
