

A photograph of two young women, graduates, standing on a wooden walkway of a suspension bridge. They are both wearing blue graduation gowns and blue mortarboard caps with yellow tassels. They are holding their caps high in the air with their right hands. The woman on the left has long dark hair and is smiling. The woman on the right has dark hair pulled back and is also smiling. In the background, the bridge's stone towers and suspension cables are visible against a clear blue sky. A large blue arrow graphic points from the top left towards the graduates.

Kaplan International will help you determine what your English level is before you leave your home country! We will tell you how many course weeks you need to meet your chosen institution's minimum level requirement, so don't wait!

Part of University Placement Service is a free Pre-Arrival Test to determine your level of English. Based on this assessment, Kaplan can estimate the time you need to improve your English to the required level for admission into university or college.
