Special Note

Students need to obtain a negative PCR test for COVID 72 hours prior to traveling.

No quarantine is required once in NY for asymptomatic travelers. *No quarantine required for residence or homestays.*

We have put many safety protocols in place for both classes and student activities. *NYC school has been very successful in keeping school safe and in operation.*

Students can get vaccinated in New York free of charge and with no appointment. *Staff will help students with vaccine locations.*

To date, no specification has been made by CDC, New York State, or federal government as to which COVID vaccines from other countries are acceptable.

We are New York Strong. NYS COVID positive statistics are among the lowest in US. Kaplan NYC and our beautiful city is back in full operation.

Note: some video footage and photos were taken pre pandemic.

CONGRATULATIONS GIULIA FOR GETTING VACCINATED

**“ I got vaccinated the same day I
registered. It was really easy ”**

Giulia got her vaccine while studying with
Kaplan International in New York

CONGRATULATIONS BO FOR GETTING VACCINATED

**“ I think I'm so lucky. I definitely
recommend to my friends get
the vaccine ”**

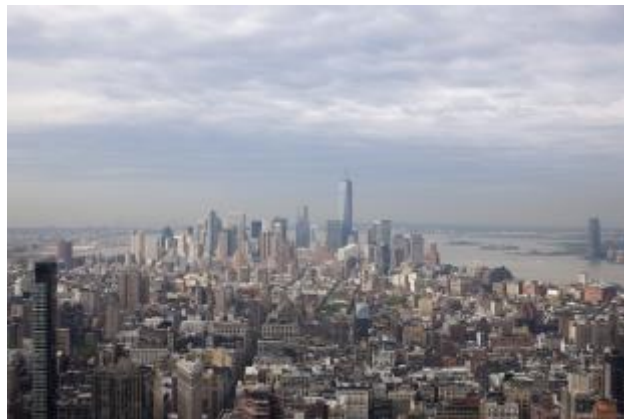

**Bo got her vaccine while studying with
