

## Overview

Kaplan International Languages in Canada has partnered with the International Institute of Travel and Business (IIT) to offer you the opportunity to improve your English and study at a prestigious post-secondary institution. This program is unique because it is designed for students who require flexibility - offering both short-term and long-term options. You can study at IIT for just 4 weeks or up to 2 years depending on your educational goals. IIT provides students with a truly immersive experience with regular field trips and a wide array of program types. Subject areas include: business, travel, and hospitality services.
